Dear Prospective Exhibitor:

Fiesta Educativa Conference 2009 is very pleased to invite your agency to participate as an exhibitor at the **Annual Conference on October 10, 2009.**

The Conference will provide educational information to families of persons with disabilities as well as the consumers and professionals who work with them.

We believe that your agency will provide invaluable information for families regarding community access services and resources. Also this will be an excellent opportunity to promote the services of your agency to a wide range of consumers, families, professionals and the media. Many of the participants will be Spanish –speaking parents. So we request that you take this into consideration when selecting your agency representatives and material.

Thank you for taking the time to consider our invitation to participate in our 9th. Annual Fiesta Educativa Conference on Disabilities .
